We know the advantage hockey teams look for

(A great nights sleep at a Canalta Hotel)

We like to think of ourselves as your secret super star, and in a hockey tournament you need any advantage you can find.

✓ Our hotel's the scout's pick!
You'll find all guest rooms at the Ramada Airdrie/Calgary North are oversized and beautifully appointed. With complimentary high speed internet, microwaves, refrigerators, coffee makers, hair dryers, irons and ironing boards. A Canalta hotel is your best choice when choosing a hotel for the tourney.

The Ramada Airdrie/Calgary North offers super sized kitchen rooms and suites, available with stove, refrigerator, microwave, dishwasher and all kitchen utensils. Whirlpool suites are also available with fireplaces, deluxe bathroom with double shower and soaker tub.

✓ Feeding a hungry team

If the team gets hungry you can take them to the on-site Smitty's Restaurant, or next door is a Tim Horton's and Wendy's with other tempting places closeby.

Did we mention the Airdrie Twin Arena is across the street?
